Young Professionals Scholarship - Donation Form

The IFTA Young Professionals Scholarship Program was started in 2013 to encourage the next generation of tree fruit professionals to attend IFTA's educational events. Thanks to sponsor support, this program has been a great success, and we hope to see that continue! Scholarship recipients are integrated into the conference/study tour programs and introduced to the innovative people, trends and ideas at the forefront of our industry. Please consider donating to help sponsor a young professional at the 2022 Annual Conference in Hershey, Pennsylvania!

The IFTA Young Professionals will be coordinating the Welcome Reception, so in addition to recognition on the IFTA website and in the event program, sponsors will also receive recognition at the Welcome Reception as an *IFTA Young Professionals Supporter*. Thank you for investing in the next generation of tree fruit professionals!
